Policy Statement

All students at Aldridge School A Science College have the right to make an appeal about any of the marks received for the qualifications they are undertaking.

If any student wishes to appeal a decision, they should follow the following procedure.

1. If possible, speak to the member of staff responsible for teaching the qualification in the first instance about the reason they wish to appeal.
2. The member of staff has a responsibility to explain to the candidate why he/she received the grade/mark.
3. If the student is not satisfied with the explanation, the piece of course work will be re-marked by another member of staff also involved with that qualification.
4. The student will be informed of the outcome of the re-marking by letter.
5. If the student wants to continue the appeal, he/she needs to contact the exams officer, who will provide the student with information about the appeals procedure for the relevant awarding body and explain what is involved. The exams officer will assist with the completion of any forms and will correspond with the awarding body on behalf of the student.
6. Please note: a student must have the support of the centre to be able to appeal against a result.
