Notes and definitions

Explanatory notes for over-subscription criteria:

The definition of children in public care (looked after children) and previously looked after children is:

Children who are in the care of a local authority or provided with accommodation by a local authority and previously looked after children who were looked after, but ceased to be so because they were adopted or became subject to a residence or special guardianship order. These children are given priority over other children when applications are considered.

The definition of a sibling is:

A sibling is a child who resides at the same address as the child for whom a place is being requested, and is one of the following:

- a brother or sister sharing the same parents
- half brother or sister sharing one common parent
- step brother or sister (i.e related by parent's marriage)

Social or medical factors:

Applications made on social or medical grounds should be accompanied by supporting documentation from a professional in the relevant field. These applications will be subject to verification by the Governors of the school.

The social grounds criterion is only likely to apply to children in need as defined by The Children Act 1989.

Definition of home address:

The home address of a child is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either:

- Owned by the child's parent, parents or guardian;
- Leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned. In certain circumstances the child's current school will be asked to verify the address given.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives for the majority of the week. Parents may be requested to supply documentary evidence to support the address used for the application.

The offer of a place is based upon the address of the child when the offer is made. If a child is offered a place at the school, the place may be withdrawn if it is found that the child moved (before the place was offered) to a new address which was further away from the school and would not have qualified for a place on the distance criterion.

Minimum Entry Requirements for Year 12:

Aldridge School has an Open Access Sixth Form for all students who wish to continue their studies from KS4 at aged 16 who meet the entry requirements and are prepared to study seriously and make a positive contribution to the ethos of the school. We aim to offer a wide range of both academic and vocational qualifications for our students. There is an upper limit for Post 16 numbers of 125 per year.

We offer two pathways at Post 16; an Academic Route and a primarily vocational route. All students will follow 3 courses.

Students can do a combination of courses in both routes, but it is expected that a student on the vocational route will choose at least two vocational courses.

Level 3 Academic Route Entry Requirements: Minimum of five Grade 5s or above in separate subjects. A minimum of a Grade 5 in English or Maths and at least a Grade 4 in the other. Each subject will also have their own entry criteria which have to be adhered to.

Level 3 Vocational Route Entry Requirements: Minimum of five Grade 4s or above in separate subjects. A minimum of Grade 4 in English or Maths and at least a Grade 3 in the other. Students will be required to resit either Maths or English where they obtained a Grade 3. Each subject will also have their own entry criteria which have to be adhered to.

There is an expectation that some practical subjects may wish the student to have a portfolio of evidence to support their application – see the prospectus notes on subjects for further details. Similarly, other subjects also have additional entry criteria – See Prospectus for details.

Applications are accepted from external students for admission to the sixth form.

Subjects running from September 2019 will be as a result of the number of students choosing subjects in February 2019. It is not anticipated that students will change courses in September. If the need arises to change courses, for instance due to lower results, then they will only be able to choose from those subjects available, and after consultation with the Head of Sixth form.

Admission to Year 12 does not guarantee admission to a specific course of study.

Full details are available in the Post 16 Prospectus, but as qualifications and grading systems are still undergoing National reform we anticipate that there may be subsequent revision to the entry criteria published.

Application Procedures and Timetables:

For Year 6 to Year 7 transfer arrangements are managed on behalf of the school by Walsall Council which operates co-ordinated procedures and timescales to comply with national regulations and requirements.

Late applications Policy - (Year 6 to Year 7 transfer):

A late application is an application form received after the published closing date. Late applications will normally be considered for places after applications that were received by the closing date. Late applicants may be less likely to be offered a place at the school.

When places are offered, applications received by the closing date and valid late applications (see below) will be considered first.

Late applications received before the notification date (before places are offered):

Applications received by the closing date and valid late applications (see below) will take priority when places are offered.

Valid late applications can only be considered if the application form is received within four weeks of the closing date.

Explanation of valid late applications:

There are limited circumstances when a late application may be categorised as a valid late application and considered together with those applications that were received by the closing date.

Subject to verification by the Director of Children's Services Walsall Council, a late application may be considered as a valid late application where:

- The family were unable to complete an application form before the closing date because they moved into the Borough of Walsall after the issue of application forms.

OR

- The family were unable to comply with the admissions timetable because of exceptional circumstances which prevented the application arriving on time – the circumstances must be given in writing and attached to the application form.

Applications received after the Notification Date (after places are offered):

Where the school is over-subscribed an application for a place which is received after places have been offered will be added to the school's waiting list in admission criteria order. The waiting list policy is explained below.

Waiting List Policy (Year 6 to Year 7 transfer):

Waiting lists for all Walsall Schools will be maintained by the Local Authority until the last day of Summer Term 2019. Parents may enquire about their child's position on any waiting list by telephoning the School Admissions Team after 2 April 2019. From September 2019 the waiting list will be kept by Aldridge School – An Academy. Waiting lists will be held for one term only.

Waiting lists are kept of all children who have been refused a place at any school which was ranked higher than the school at which they have been offered a place, for example

- If a child is offered a place at the school that was ranked 2nd on the Walsall Preference Form then the child's name will only be placed on the waiting list for the school that was ranked 1st.
- If a child is offered a place at their first choice school the child's name will not be added to any waiting list kept for their other ranked schools.
