CHARGING POLICY

The Governing Body recognises that as a result of the 1996 Education Act there is no statutory requirement to charge for any form of education or related activity and that charging is prohibited except in certain circumstances at the discretion of the Governing body.

The governing body also recognises that the curriculum as it exists at present cannot continue without asking for voluntary contributions from parents in certain circumstances.

1. Education Activities taking place during school hours

- 1.1 'School hours' are defined as being those hours during which the school is in session, but excluding the mid-day break
- 1.2 No charges will be made for any activity or materials, books, instruments or other equipment which are essential to fulfil the statutory curriculum
- 1.3 Voluntary contributions may be asked for to enable extra activities, which are deemed educationally desirable, to take place. It may also be stated that such an activity will not be able to take place unless enough contributions are received to finance that activity. The contributions requested will reflect the cost of that activity (including any consequential costs such as supply cover, transport, refreshments) less any subsidy from funds available to the school.
- 1.4 Materials required which would result in a finished product, may be charged for as long as parents have been asked in advance if they wish to own that finished product.
- 1.5 Parents will be expected to provide items of clothing such as aprons and football boots. The school will continue to provide essential protective equipment such as safety goggles.

2. Educational Activities taking place outside school hours

- 2.1 Charges for activities may be made except where the activities are required either:
 - (a) as part of the syllabus of a prescribed public examination;
 - or
 - (b) to fulfil statutory duties relating to the national curriculum or religious education in which case no charge may be made with the exception of board and lodging charges for a residential visit (see sections 3.1 to 3.3)
- 2.2 Where charges are made the cost may not exceed the actual cost to the student and cannot subsidise any other students participating. The cost of those students remitted from charging will be met by funds available to the school.

- 2.3 The costs incurred by teachers providing the activity may be included in the costs to students.
- 2.4 A student's participation in such an activity will be a matter for parental choice and on the basis of a willingness to meet any charges applicable. Thus such an agreement is a pre-requisite to a student's inclusion.
- 2.5 Such charges will take into full account any subsidy received reduced accordingly.
- 2.6 It will not be possible to ask parents of participating students to subsidise other students taking part in the visit.
- 2.7 An administration charge of 5% may be included to off-set the school's costs (including those of the Educational Visits Coordinator and finance team) in planning and organising and recording costs and incomes for such trips. Payment for trips and activities must be made in advance of any trip.
- 2.8 The more costly trips (over £100) can be paid for in instalments as directed by the trip organiser and/or the School.
- 2.9 Where a Trip is organised by an external travel agent or operator, who may require a non-refundable deposit from the school then the initial deposit by parents will be for the same amount and will also be non-refundable, unless the School is able to obtain a refund. The School reserves the right to charge the administration fee in such cases.

3. **Definitions by the Act**

- 3.1 Day visits and non-residential activities are deemed to take place during school hours if 50% or more of the time spent on the activity, including any connected travel, occurs during school hours. (See Section 1.1) The Charging Policy for such an activity will therefore follow 1.1 – 1.5.
- 3.2 Residential activity is defined as being one which involves students spending one or more nights away from home. Such an activity is deemed to take place during school hours if the number of school sessions taken up by the activity is 50 % or more of the number of half days (12 hours) involved (in this connection a 'half day' is defined as any period of 12 hours ending at noon or midnight of any day). The charging policy for such an activity will therefore follow 1.1 – 1.5 except that:-
 - (a) the full actual costs per student for board and lodging may be charged to the parent
 - and
 - (b) such a cost must be fully remitted if the student is in receipt of Free School Meals, and must be met by funds available to the school
- 3.3 A residential activity is deemed to take place outside of school hours if the number of school sessions taken up by the activity is less than 50% of the number of half days (12 hours) involved. An appropriate charge may be made to parents unless the activity is required either:
 - (a) as part of the syllabus of a prescribed public examination;

or

- (b) to fulfil statutory duties relating to the national curriculum or religious education in which case only board and lodging costs can be charged and these must be wholly remitted if the child is in receipt of Free School Meals.

4. Activities arranged by a third party

It would not be appropriate in any way to arrange or help to arrange an activity for which Aldridge School has no legal liability. Nor is it anticipated that teachers would be granted leave of absence to participate in such an activity.

5. Entry for Public Examinations

- 5.1 No charge will be made for a student's first entry to any prescribed public examination for which the student has been prepared at the school, whether during or outside school hours. Resit examinations will be charged unless the student is in receipt of Free School Meals or Student Premium or has suffered illness or a 'life event' that caused the student to perform worse in the examination than would normally have been expected.
- 5.2 Parents and students will not be required to provide or pay for any materials (excluding clothing) necessary for the purposes of examination entry.
- 5.3 No charge will be made for transport provided to enable a students to take such an examination.
- 5.4 Students will be entered for each examination in a syllabus for a prescribed public examination for which the student has been prepared for entry by the school except where in the opinion of the Headteacher there are education reasons for not doing so;
- 5.5 Where it is agreed to enter a student for a prescribed examination for which the student has not been prepared by the school, the full cost of the entry may be charged to the student or parents.
- 5.6 Where a student has, with parental agreement, been entered for a non-prescribed public examination a charge may be made for:-
 - (a) entry fee
 - (b) actual cost of any preparation provided by the school outside school hours.
 - (c) costs relating to the school's teaching staff if the staff have been specifically engaged under a contract for services for the purpose of providing the optional extra.
- 5.7 Examination entry fees may be recovered from parents if a student fails without good reason to complete the requirements for any public examination for which fees have been paid by the school. Requirements may include coursework or the sitting of final examinations.

6. Music Provision

- 6.1 Charges will not be made for class music tuition during school hours.
- 6.2 No charge will be made for group activities e.g. school orchestras, which take place during school hours.
- 6.3 A charge will be made for individual and small group music tuition, provided parental agreement is obtained before a student is given the tuition. The charge can include:
 - (a) the cost of the teacher
 - (b) the costs of sheet music
and
 - (c) the hire and insurance of a musical instrument.
Students are charged £80 per term for an individual music lesson and £60 per term for a shared music lesson. Students on the Music Scholarship programme will receive their second shared lesson for free. Pupil Premium Students will be charged £25 per term for music lessons.
- 6.4 Serious consideration will be given to requests for tuition from parents suffering financial hardship or whose child is in receipt of Free School Meals or Student Premium, with each case being judged independently and given at the school's own discretion. The maximum reduction the Headteacher is permitted to make is 25%.
- 6.5 Parents are asked to make a term's commitment in advance to tuition. Parents will be invoiced termly.
- 6.6 Parents will be required to terminate music tuition at least one term in advance and in writing to the Head of Music. Should a student decide not to attend tuition at any time during a term period, no reimbursement of fees will be given.
- 6.7 Tuition will be cancelled if payment is not received in advance. However, parents will still be liable for settling any outstanding amounts.
- 6.8 School reserves the right to terminate tuition if it does not consider groups to be viable, or if progress/commitment is unsatisfactory. This will always be done after consultation with the instrumental teachers and parents.
- 6.9 School insurance will cover loaned instruments in school and on the journey to and from school. Parents' own insurance must cover the cost of replace/repair, should damage occur outside these times. Advice will be given by the instrumental and music teacher. Insurance should be taken out for students' own instruments.

7. Voluntary Contributions

Achieving excellence together

Aldridge School An Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff, students and volunteers to share in this commitment.

- 7.1 Any such contributions must be genuinely voluntary and it will be made clear to parents if contributions are requested that;
- (a) there is no obligation to contribute
 - (b) students will be treated the same whether or not their parents have contributed
 - (c) there is support for low income families, in which case the child is in receipt of Free School Meals or Student Premium, and this is the criterion used to assess whether support is needed.
- 7.2 If an activity cannot be funded without voluntary contributions, this will be made clear to parents in an initial letter indicating
- (a) the nature of the proposed activity and its education value;
 - (b) the contribution per student which would be required if the activity were to take place;
- and
- (c) the activity would not take place if insufficient contribution were forthcoming.
- 7.3 The Private School Fund, which is supported by voluntary contributions, will be used to support families experiencing financial hardship. See Appendix 2.

8. Breakages and Fines

- 8.1 Parents may be asked to pay for the cost of any damage resulting from a student's misbehaviour.
- 8.2 Parents may be asked to pay for the replacement of any lost or damaged material in the care of the Student

APPENDIX 1

There is no obligation to contribute and students will be treated the same whether or not a contribution has been received. However, a failure to receive such contributions could put financial restraints on other activities within this subject'.
