

Careers Education Information, Advice and Guidance (CEIAG)

Here at The Ladder School, our CEIAG Programme caters around helping students to discover and pursue their dreams and ambitions, challenging them to make a difference to their own lives.

At The Ladder School, all Year 10 and Year 11 students have access to one to one careers advice with our Careers Advisor, Mr Lorenzo Cosco, as well as ongoing support from Mrs Lecointe, the Lead member of SLT for CEIAG and Mr Singh who supports with visitors in school and work experience placements.

Alongside the one to one meetings, careers support is provided through whole school and class curriculum activities at KS3 to KS5, through employer visits, invitations to College Open Days and Taster Days with Post 16 Alternative Providers. The school stocks a number of informative books from the “How To Become “ series and booklets from the NHS Careers Service, about a number of Careers.

Students Year 9 to Year 11 are encouraged to identify their key skills, areas of interest and career choices through online surveys like The Buzz, START and The National Careers Website. Students are then encouraged to investigate a range of careers related to their personal profile.

Year 10 students take part in Work Experience Placements during the Summer Term, supported by a Work Experience Consultant at SIPS Education Business Partnership. Students are also introduced to the Apprenticeship website and are supported by ASK, in order to learn how to navigate the site.

Year 11 students all attend the Skills Show at the NEC and are all invited for a face to face mock interview with our Enterprise Co-ordinator. They are supported in preparing and writing an updated Curriculum Vitae and involved in a range of activities related to the recruitment process, such as taking part in a mock interview with a business professional.

A personalised programme is offered to Year 12/13 students in order to meet their individual needs for employment or training.

We will regularly upload useful CEIAG information to this page, which can be accessed by clicking on the links. Alternatively, you can e-mail Mrs Lecointe on t.lecointe@ladderschool.org or Mr Singh on h.singh@ladderschool.org
