Thursday 13th May 2021

Dear Will and Robert

Q3 and Mercian Proposed Merger Consultation – Outcome

Please find enclosed details of questions raised by staff, parents and others together with my analysis of responses provided by stakeholders during your consultation exercise (15th March – 7th May 2021).

You should be pleased with the engagement of both staff and parents with this exercise. You have received more responses than many similar stakeholder consultations and therefore should be reassured that the consultation findings are representative of stakeholder groups and therefore provide a strong evidence base for you to consider your next steps.

I have enjoyed this project and should you require any further assistance please don't hesitate to get in touch.

Yours sincerely

Sara Gadzik
