Mission Statement

The Ladder School is a safe, well-ordered and caring environment for learning. It delivers high quality education to all its students and will support them in developing their individual potential for growth, self-worth and self-control.

High quality outstanding teaching, and clear and consistent guidance and support will facilitate students in succeeding in education. Our broad and balanced academic and vocational curriculum will provide students with access to a broad range of accredited qualifications as well as educational and social experiences, which will address their learning and emotional needs (including SEND and Mental Health support). Our purpose is to support every student to develop their true potential, make positive contributions to their families and find fulfilment in employment.

Values

1. Alternative Provision doesn't mean a dumping ground...it's mainstream with the reasonable adjustments to succeed
2. High standards and high expectations are incredibly important and are the corner stones to a successful school
3. The Ladder School should become the go-to place for educators from across the country to see best practice
4. Good simply isn't good enough
5. Learning is about a journey and there is more than one way to get to the destination
6. Qualifications, manners, respect and opportunity should be the foundations for students that need a second chance.

High standards – students are pushed to achieve beyond their potential, and staff work to ensure everything that we do is better than people expect.

Daring to Dream – students at The Ladder School may have been in an educational setting where they lack aspiration to be successful, at The Ladder School we challenge students to reach their potential and go on to further education and employment.

Traditional Values – some things often get forgotten in education, at The Ladder School we pride ourselves on mutual respect, good manners, making a positive contribution, supporting one another and an orderly, litter free environment.

Success – can come in many virtues, at The Ladder School we celebrate the small steps every day and tell students when they are doing well. We ensure that students can have a successful future.

Personalised Support - all students at The Ladder School have a Learning Coach who guides them, sets them bespoke targets and supports them in making social and academic progress.

Statement of Purpose

This policy will outline the School Uniform expectations of The Ladder School. The Ladder School prides itself on our ability to deal with students that may have found mainstream education difficult, but in turn, we will not settle for second best. We expect all of our staff, students and visitors to adhere to the guidelines set out in this policy, without question.

The School Uniform policy at The Ladder School is based on the belief that school uniform:

- Promotes a sense of pride in the school
- Helps to create a sense of community and inclusive belonging within the school
- Establishes a clear sense of identity

- Prevents pupils from wearing ‘fashion clothes’ that could be distracting in class
- Is practical, smart, and designed with health and safety in mind
- Is considered good value for money by most parents
- Encourages positive behaviour and self-discipline, which in turn supports teaching and learning
- Encourages positive behaviour and in turn support their peers on how to behave correctly;
